# MEMBER GET MEMBER DRIVE

## BETTER LATE THAN NOT

**This current administration is in its final two months. The officers have gotten together and decided to do a MEMBER GET MEMBER DRIVE to increase our membership.**

**Since the beginning of the year, our membership has dwindled to below 3500 (<70%) membership, due to one reason or another. At what is a critical time for our union, we need to talk to our co-workers about how the union can help protect our jobs and safeguard our rights and benefits from our labor. The union exists to protect us from unreasonable management and unfair demands of our lives in these tumultuous times. The union is giving out a gift card worth $100 (not from union dues but from the rewards of our credit card spending over the past two years) to any member (no board members, please) who is able to sign up the most number of non-members each month beginning on the 15th and ending on the 14th. A second prize gift card of $50 will be given to the runner up in terms of non-members signed up in the period.**

**We will run this for two months from Sep 15 to Oct 14 and Oct 15 to Nov 14. After that the new administration will be taking over. Please email your new membership cards to Lisa.Trujillo@ca.afscme57.org.**

**Mildred Ingram, Northern Vice-President**
**Membership Organizing Committee**
